Hello, we are organizing with the Antioch Baptist Miss. Church in Miami, Fl to assist Haiti. Briefly, they have built (1) church and (2) schools in Haiti. On a monthly basis they send over \$2,000-\$3,000.00 to facilate the programs. Keep in mind, Haiti is very poor so that is a lot of MONEY!!!!

The plan: NWIndiana will organize to solicit our family, friends, members, organizations to bring the following below. We are in need of "community" drop off points-please open your doors. Calumet Breweries, Inc will pick up & store (warehouse) the goods until we can send over. We are collecting NOW so that when the roads are repaired we can assist Haiti. The "goods" will be sent to Miami, Fl and received by Antioch. Antioch has two partnerships-World Cares and World Harvest. The goods will be shipped DUTY FREE (no charge) from Miami to Haiti.

The church has promised to video record all transactions of our goods all the way to distribution in Haiti. We will locally take pictures (please do) and upload to FaceBook so that we can follow our process.

Lastly, I have asked the Minister in charge in Miami to meet with us teleconference (by phone) Monday, January 18th @ 6:15pm. Please check your e-mails for the conference phone number & access code for you to dial. You can use your cell phone or landline. Write down your questions/concerns for him, Calumet Breweries and myself.

God Bless,

Benita
